

Light Rail

Cost: \$1.50 or \$2.75 (6-9 am, 3-6 pm)

The **Lindbergh Terminal** light rail station is located below the Transit Center, between the Blue and Red Parking ramps. From the Tram Level (two floors below the Ticketing Lobby), take the automated Hub Tram to the Transit Center. When you exit the tram, follow the signs to the light rail station, located 70 feet underground.

The **Humphrey Terminal** light rail station is located on the north side of the Orange parking ramp. From the Humphrey Terminal, take the skyway from Level 2 across to the parking ramp. Follow the overhead signs through both parking ramps. Take the escalators or elevators down one level to the station platform.

You'll take the train to the Nicollet Mall Stop, and turn left onto Nicollet Mall. Walk 2 blocks, then take a right onto 7th Street. The hotel will be about a half of a block down on your right hand side.

The light rail also can provide transportation to the Mall of America. It picks up downtown and the Mall of America stop is located in the parking lot.
